Mr. Stearns said it was idle to spute the fact that Wichita is a city, a mercial center in all that that term polies, and that she will inevitable hold her prestige and power as a jobbing and and manufacturing point of prominence and magnitude. In all of which he is endorsed by the EAGLE.

CONTRACT AWARDED.

PAULY JAIL CO'S, PLANS AND BID OF \$47,225.

Much of the Work to be Done by Wichita Contractors---Description of the Jail.

Contract for building the Sedgwick county jail was let yesterday to the Pauly Jail Building & Manufacturing company, of St. Louis, at a total cost for all work of \$17,250. The Pauly Jail Building & Maufacturing company filed a bond in the sum of \$50,000 for the faithful performance of the work, and obligated themselves to complete the building, ready for use, by the 1st day of September, with a forfeit-

ure of \$25 per day for every day beyond The building covers a space of 74.4x92.8, and in height has two full stories, a basement and an attic. The architecture is modern, tending something to the Queen The building will front east, hav ing the residence portion towards the south. The residence is very conveniently has been too far south to be readily seen arranged, with vestibule, hall, parlor, dining room, kitchen, pantry and china idly moving north and ought to be easily closet on the first floor and laundry beseen as an evening star by the 25th, being neath the kitchen. The parlor is 15x15, at that time about 40° north of the sun dining room 12x17, closet and pantry, and setting an hour later. 4.6x6, each kitchen 14x19. PHASES OF THE MOON. W. A. CRUSINBERRY, Garfield University.

THE LOYAL LEGION. Col. Martin, the recorder of the Military Order of the Loyal Legions, telegraphs the committee here that upwards of eighty members of the order have signified their intention of being present at the meeting to be held in this city on next Wednesday. Should the day be pleasant, it is the inten tion of the local committee to show them which a limited number of our own people will share the festivities of the occasion. promises to be memorable as one of the greatest social events in the history of our city. The local committee who have gladassumed the responsibility and labor attending an enterprise of this sort, would have the people of Wichita to understand that practically, these visitors are the guests of the city; that they are essentially representative men of the state, and without doubt, numbers considered, the most prominent body of men who will honor us by their presence in the rollicking month of May. As ninety-five per cent of this distinguished body of men were of ficers in the army in the "late dispute." would only keeping with the eternal fit-ness of things if all who have bunting would on that day give it an airing. Let us all take pride in showing the various organizations that have pitched upon the Peerless Princess this spring as a valleying ground that we esteem their presence a favor as well as an honor. Let us demonstrate our ability, not only to take care of the crowds that are coming, but our wil-lingness to entertain them, to the end that the plums of this character may in future

A FINE PIECE OF PORTRAITURE.

A very fine piece of portraiture is on exhome at Topeka. He will hibition in the windows of Edward Vail, return next Wednesday to sub-let all con- jeweler, Main street. The work is from of the art school of the Lewis academy all other branches of the work will be sub- the subject being a half length figure of Miss Mand English, of this city, in walk-ing costume. The work is not only a good likeness, but a speaking, life-like one. details of dress, drapery, etc., all have the touch and effect of the work of the true artist. In the work of the back ground Mrs. N. ignored the conventional and threw in an intimation of perspective which it would be hard to describe, but

KANSAS IN THE DRAD.

Mr. A. Knight, of St. Louis, who has long been a believer and admirer of Wichita, said yesterday that on his way here he never saw wheat look better than in Kan-He says that the wheat in this state looks more promising than in Misse He seems to think that Kansas has had more rain this season than last.

He thinks the city has improved very much since his visit some months ago.

PLUG HAT BRIGADE-ATTENTIONS The plug hat brigade, or any one desir

ing to become a member are requested to meet at Grand Army hall tomorrow night for the purpose of thoroughly organizing and clecting a commander. Those having started the movement report it quite prob able that 200 men will be in line for a showing of representative Republican marching on the 9th of next month. The plug hat and duster uniform seems to strike the boys quite favorably.

Mary M. Doremus yesterday brought suit against the United States Collection and Protection association, F. T. Creller, John Braitsch and J. B. York, claiming \$10,000 for damages to her character. She said that she was injured to that amount by the defendants, who persisted in sending her their duns and "bad debt" velopes and eards. The suit was filed with the clerk of the district court, and will be up for trial the ensuing term of court.

HOMEOPATHIC STATE ASSOCIATION. The Sedgwick county society of homoso pathic physicians and surgeons cordially invites all patrons of their school, and especially the hospital regents-elect, to attend their state association held at Carey Grand hotel on the 2nd and 3d days of May. Wednesday afternoon and evening and Thursday all day will be given to papers, discussions or sight-seeing. Gen-tlemen and ladies, you can greatly encourage us by your presence; we will return your calls. J. J. STONER, President.

Mr. Kirby Kauffman, of Baker & Co. sterday said that there was an unusually large number of people coming into the from the east, and come from all over the eastern states, yesterday the new arrivals were mostly from Indianapolis and Buffa-The way that I come to notice this, is that so many of the tourists come to our office to exchange or dispose of their round fall into the lap of Wichita as they have trip tickets. There are, indeed, a great in the past gravitated towards the eastern many people looking over the city every day-more in fact than most of the resi-

A BIG SYNDICATE. A Wichita Man Before the Great Exchanges

From the New York City Star. Professor Woodhave an eminent mining engineer, and an active member of the Kansas City and Wichita City Mining Exchanges, was a visitor yesterday at the New York Stock exchange, and also the Consolidated exchange. Mr. Woodhave is here in the interest of a syndicate which is about to close negotiations for rich tracts of lands in Kansas on which are located coal and salt mines and natural gas wells. These lands were prospected by Mr. Woodhave and are now being actively developed. They are located near Wichita City, Kansas. This city has a population of 40,000, and seven different lines of railroad center there. Those who B. H. Downing, complete except steam heating, according to Dumont & Hayward's plans.

G. W. CLEMENT, Sec'y. GREENSBURG AND ASHLAND.

Mr. Isaac K. Berry and George Theis, jr. of Ashland, were in the city yesterday as also were Mr. Will E. Boltin and J. T. Ross, of Greensburg, all of whom appea ed before our board of trade with reference to matters of mutual interest which were quite thoroughly discussed. Southwestern Kansas and Wichita are quietly but surely getting their hands together and their interests solidified, and their united strength and power will some day before long be the talk of the state. What is the interest of seven out of ten towns in southwest Kansas is the interest of Wichita, and as they grow stronger and greater, so will we, and in either in material or political matters we and they pull together things will start, which includes rallroad corporations.

The Y. M. C. A. auxiliary will be adfressed this afternoon in the First Congregational church, corner of Second and Lawrence, by Mrs. M. L. Wells, of Indian apolis, on the question agitating the minds of all thoughtful women, "Social Purity." Mrs. Wells has many friends in our city, several of whom have requested the pleas-ure of entertaining her. While in the city she will be the guest of Mrs. E. J. Foster. The Whig, of Jackson, Tenn., says the following: "Mrs. Wells spoke to a large audience at the court house Thursday night on 'Social Purity.' She told some plain truths in so womanly and gentle a manner that everyone was impressed with their importance. Mrs. Wells is one of the most talented, useful and best beloved women in our state."

100 Doses One Dollar.

COMMENCING WITH SATURDAY, FOR ONE WEEK ONLY,

We shall make a clean cut of 25 per cent, on the regular retail price of HAMMOCKS in order to introduce ourselves more fully to the public in a manner they will appreciate. After that time regular prices will be charged.

After our special cut sale of stationery and afterward of books, many expressed disappointment at not knowing in time to purchase. We advise that you avoid such a misfortune by calling early in the week, as no such opportunity will occur again this season to purchase WHAT EVERY ONE NEEDS FOR THE SUMMER. Remember we are the Cheapest Stationery House in the largest city of the best state in the Union.

ROBINSON & CHAMPION.

CANNONADING

Yesterday as usual the regular gang of loafers held down the railing in front of Toler's office. The only effectual way for the boys in the basement to rid theme of this nuisance was to touch off those mammoth firecrackers at stated periods. sired location when one of these comdesired one is a question.

Yesterday afternoon a young man was ralking on North Main street with a strap in his hand. As he was passing a dry goods store he noticed a couple of dum-mies standing on the sidewald, between them stood a lady very profusely painted, and this man not noticing the difference threw out his strap and struck the center figure over the shoulder. In his conster- key nippers by some sneak thief. His nation and surprise at finding the center watch, a fine gold chronometer and his figure to be a young lady, he endeavored to pocketbook, containing some money, were make an apology, but when the first sen-tence was nearly concluded he realized taken was occupied by Mr. L and his wife. make an apology, but when the first senthat telling her he mistook her for a dummy wouldn't ease the situation, so the poor fellow had nothing to do but withdraw gracefully, muttering something to

AMUSEMENTS.

CRAWFORD GRAND. At the National Theater T J Farron has been in his play. The Scap Bubble. Of course the piece is as light as the thing on which it derives its name, but it nevertheless compares tavorably with any of the now numerous productions of its kind. It is full of irresistible fun and is the now numerous productions of its kind. It is full of irresistible fun and is replete with good songs, choruses and quartettes. Mr. Farron won much applause by his comicalities and his singing, and was ably supported by Ed. Connelly and the rest of his company. The sunging of Neginia Ross was especially commendable, and Miss Bolly Foster won and beld the favor of the audience by her peculiar sprightliness and cuteness. Her singing of her two Irish songs was excellent. The business was very good.—Philadelphia time ice cream, cakes and fruits were sprightliness and cuteness. Her singing sprightliness and cuteness. Her singing sprightliness and cuteness. Sprightliness and cuteness for singing sprightliness and cuteness. Her singing sprightliness and cuteness.
